## New fireworks and concert location set for Fourth of July celebration

THE WOODLANDS, TEXAS (June 20, 2014) – Residents of The Woodlands are encouraged to enjoy the Fourth of July celebration at its new location in Town Green Park, at Waterway Square and along The Woodlands Waterway®.

This new location has also resulted in the Concert in the Park, normally at Northshore Park, to be moved to Waterway Square for the celebration. The new venue has become necessary because of the obstruction of viewing fireworks due to the construction of new office towers in The Woodlands Town Center and the surrounding areas. This new location also provides the opportunity for the fireworks to be launched in a much closer space for spectators to enjoy.

Although the fireworks will not be visible from the previous locations of Northshore Park, Southshore Park, along the golf courses in The Woodlands, The Woodlands Mall and all locations east of Interstate 45, the show promises to be spectacular for those who attend along the Waterway area.

"The Woodlands Waterway has plenty of room for thousands of people to see the lower proximity fireworks at a closer and clearer view without the obstruction of buildings," stated Nick Wolda, president of The Woodlands Convention and Visitors Bureau.

All residents and visitors are encouraged to enjoy the Fourth of July festivities at the new location, and complete details can be found on the Township website at <a href="https://www.thewoodlandstownship-tx.gov/fourthofjuly">www.thewoodlandstownship-tx.gov/fourthofjuly</a>.
